## INDOOR &amp; PARADE FLAG SETS

To compute the price of a matching State, Foreign or Custom flag set, simply select the desired "mountings only" from the listing following this one and add the price of the appropriate size Colonial Nyl-Glo fringed flag listed elsewhere in this price list. Customarily, the American eagle ornament is reserved for use on U.S. flags, while a spear top is considered appropriate for most others (see mounting Styles 355 and 465). Completely mounted Religious flag sets are listed on Page PL-20

## INTERNATIONAL FLAGS

## CATALOG PAGES 20-25 – FLAGS OF WORLD NATIONS

- All individual flag and complete set prices subject to change if designs and/or organization memberships change.
- SUGGESTED RETAIL PRICES: Consult Catalog
- **“GOVERNMENT” VS. “CIVIL” DESIGN** - It is important to note that all of the U.N. Member Nations flags illustrated in our General Catalog are the “Government” version. This term describes the flags displayed at foreign embassies around the world and at the United Nations in New York. Several nations, however, also have a “Civil” version which is intended for use in or on private homes, clubs, commercial buildings, at rallies and parades, etc. Invariably this flag is identical to the Government version except that the emblem or seal is omitted. For your convenience we have listed both versions. When ordering flags of nations having both a Government and Civil version, please specify which is desired. As a general rule your customer will not require the more costly Government flag. Therefore, unless otherwise specified on your order, the Civil flag will be supplied.
- Complete sets of U.N. and O.A.S. Member Nations flags consist entirely of Government flags and are priced accordingly.
- All Empire Brand miniature foreign flags listed in our Catalog and Net Price List are also the Government version.
- **MERCHANT FLAGS** whose designs differ from Government or Civil flags are available on special order. Write for prices.

## Is Your American Flag Made In The U.S.A.?

Annin Flagmakers is one of the founding members of the Flag Manufacturers Association of America (FMAA). The FMAA proudly sponsors the "Certified Made in the U.S.A." certification program to ensure the American flags you purchase are homegrown with pride. "Certified Made in the U.S.A." certifies that your flag has been made in the U.S.A. of materials that are domestic in origin and that all processes in every step of its manufacture were completed in U.S.A. facilities with U.S.A. labor.

U.S. law requires every flag be labeled with its "country of origin." Only the FMAA "Certified Made in the U.S.A." Certification label assures the standards and continued compliance as monitored by a professional association and its domestic members.
